HOUSEHOLD HAZARDOUS WASTE (HHW)

Delaware County Solid Waste Authority hosts four HOUSEHOLD HAZARDOUS WASTE (HHW) collection events each year. Unfortunately, the County does not offer Electronic Waste Recycling.

All event times are by appointment ONLY. You can sign up 6 weeks prior to any event by visiting:

<https://www.eventbrite.com/o/delaware-county-solid-waste-authority-30675296434>

Examples of HHW: oil based paint (no latex paint), paint thinner, gasoline, kerosene, lead acid batteries, rechargeable batteries, lithium batteries, pool chemicals, antifreeze

A more complete list of acceptable items, FULL DETAILS for events, and contact information for the Delaware County Solid Waste authority can be found on the flyer at the bottom of this page.

ELECTRONIC WASTE

Chadds Ford will host its electronic waste event this fall. More information to come.

Think Globally, Act Locally! If improperly discarded, household products containing toxic chemicals can be a threat to people, pets and the environment. Never dispose of hazardous materials in the trash as they may harm your water-treatment workers or result in a collection vehicle fire. It is also unsafe to pour HHW down a sink or storm drain as it will end up polluting our drinking water.

This Program is offered as a community service to the residents of Delaware County and is **not open** to businesses, institutions or industry.
