Chadds Ford Township Tree Donation Policy

Process to donate a tree is as follows:

- Applicant/Donor submits completed Chadds Ford Township Tree Donation Program Application to Chadds Ford Township in person or mailed.
- Once the application is received by the Township the application will be placed on the Open Space agenda for the following month. The applicant/donor will be notified prior to the Open Space meeting and are encouraged to attend in person or via Zoom.
- If the Open Space Committee recommends the application to the Board of Supervisors, the applicant/donor will be notified prior to the Board of Supervisors meeting and encouraged to attend in person or via Zoom.
- If the Board of Supervisors approves the application, the applicant/donor will provide a check to Chadds Ford Township for the full amount stated on the application.
- Chadds Ford Township will be responsible for purchasing, planting, and installing the tree and plaque with cost covered by the applicant/donor.
- Tree plantings are scheduled for the Fall (September-November) and Spring (March-May).
- The tree will be covered by the warranty policy of the selected installer. After one year, should the tree be damaged or die, it is the responsibility of the original donor to replace the tree. Maintenance of the tree will be the responsibility of the Township.
